

The following

luminaires are certified as ADSA PRIZED.

ADSA PRIZED

Luminaires in this category are certified as:

- Upward Waste Light of 0% when installed in the maximum adjusted up tilt angle
- ≤2700K CCT • In built control
- Front and Back Very High Uplight (FVH & BVH) ≤1.0%

HUMAN SENSITIVE – This is a higher level of luminaire management and performance providing even greater control over sky glow and associated light pollution as well as glare and other human factors.
